WORK EXPERIENCE

Freelance Web Developer
Freelance
Feb 2023 – Present
New York, New York
Part-Time

- I have developed Lucci Fitness, a successful e-commerce platform for my client. Using React.js, Stripe and Firebase.

Career Transition
Jun 2022- Feb 2023

- Completed The Odin Project's Foundations and Full Stack JavaScript courses, gaining a strong understanding of the MERN stack (MongoDB, Express, React, and Node.js).

Transportation Security Officer
U.S. Department of Homeland Security
Dec 2021 – May 2022
New York, New York
Full-Time

- Authenticated travel documents looking for potential tampering signs.
- Conducted passenger screenings, enforced safety regulations, and maintained professionalism during interactions.
- Managed assigned terminal entry and exit points, ensuring security and order.
- Demonstrated proficiency in Standard Operating Procedures and remained current with updates.
- Utilized risk-based security screening protocols and critical thinking to mitigate potential threats.
- Operated screening equipment and technology with efficiency and accuracy.

Warehouse Associate
Paragon Sports
Jul 2019 – Feb 2020
New York, New York
Part-Time

- Managed incoming shipments for the business, verifying accuracy and ensuring alignment with purchase orders.
- Collaborated closely with the warehouse team to analyze inventory levels and identify products requiring replenishment, optimizing stock availability.
- Upheld a well-organized and tidy stockroom, enhancing operational efficiency and facilitating seamless inventory management.

Groundskeeper
Elmjack Little League Inc
Jul 2015 – Jul 2019
New York, New York
Part-Time

- Efficiently prepared baseball fields for games, making sure they were clean, safe, and inviting for teams in a fast-paced work environment.
- Followed safety guidelines during cleanup, properly storing tools and machinery at the end of the day to ensure a secure and organized workspace.
